## 2012 BOAT JUMBLES ASSOCIATION APPROVED EVENTS.

These events are run under the UK Boat Jumbles Association's Code of Practice to promote the best interests of the public, the exhibitors and the organisers. You are assured of high standards of organisation and a value for money experience. This year we have 36 events on our calendar offering the public the opportunity to buy new and used boating items at bargain prices. We look forward to seeing you at one of these shows in 2012. Why not come along and sell your boat or your unwanted chandlery items? Car boot pitches start from around £20 at some shows and bigger spaces are available from around £30-35, ring the organisers of your chosen event for more details or visit their website. Note: All events are well signposted, they open at 10am with opening hours generally 10am-3pm. Events are only ever cancelled in extreme circumstances, but before travelling we do suggest you call the event organisers or check out our official BJA website for any changes or updates, other unofficial sites may have inaccurate data.
